Looking for a Great Place to Have Educational Fun?

For an unforgettable experience - a day of educational fun and excitement visit

FAWN-DOE-ROSA Wildlife Educational Park.

We are approximately 60 minutes from the Minneapolis-St. Paul area.

While at **FAWN-DOE-ROSA** a tour guide will introduce animals found in North America. Your group will be able to see, feed and pet some of the new animal friends you will meet along your journey throughout our four areas:

Deer Yard: Trip, trap, trip over our bridge and along the path – here you will discover our larger animals of the forest which include deer, elk, mountain lions, wolves, and grizzly bears.

Old McDonald's Farm: With a *Baa Baa* here and *Hee Haw* there - you will come across an old hillbilly farm with lots of friendly animals you can pet and feed. For a small fee children may wish to ride a pony. * Pony Rides run Memorial Day thru Labor Day.

Nursery: *Shh babies are sleeping* – in this area you can meet this season's new arrivals and other smaller animals.

Gift Shop: Our large gift shop offers “*something special for everyone*” – we have gifts and souvenir items with prices from \$2.00 and up. Soda machines and treats are also available.
